RASSISMUS ANKREIDEN!

The „Aktionswochen gegen Rassismus im Kreis Herford“ („Campaign Weeks Against Racism“ in the Kreis Herford) take place from June 1st till June 30th 2021. Our campaign **RASSISMUS ANKREIDEN!** will offer you the opportunity to share your experiences with racism.

We will assist you with marking your experiences with sprayable chalk. There are no boundaries on how you want to express those - whether you chose a saying, a drawing, a poem, slam or something else.

It is important to us that we offer you a platform to share your experience and that we call attention to the fact, that your experiences with racism should not be swallowed - they should be heard!
